

ST MARY'S SCHOOL, CHARLEVILLE

Learning through loving and living

14th October 2025

Dear Parent and Carers,

At St Mary's School we believe sport is an integral part and contributes to the successes of our students. This year for school swimming we are trialing a seven-day swim block commencing on Tuesday 11th November 2025. Please see key information below:

Swimming – what to bring

Swimmers, sun safe swim shirt, goggles, thongs and towel.

A bag for wet belongings.

Please label your child's belongings.

School uniform

To provide maximum time in the water, students will be dressing back into school uniform at school. Please ensure all school uniform items are packed in a separate bag.

Prep and Year 1 Students

Prep and Year 1 students will swim in the first session each day. To ensure a smooth start, please send your child to school **already dressed in their swimmers**. There will be no time allocated for changing before their session.

If your child requires assistance changing back into their uniform, we kindly ask that you assist them at school after their session. All other year levels will change into their swimmers during break time.
