

St Mary's Prep Information Morning

Friday, 17 October | 8:30am - 10:30am

Learning through Loving and Living

Information Session for Parents

While your child enjoys fun 'Get-ready-for-Prep' activities with their new Mini Mary's bear, parents are invited to:

- meet our Prep teachers and leadership team
- explore our classrooms and experience the St Mary's difference
- learn about how we provide solid foundations in literacy, numeracy and values.

Teddy Bears Picnic

After the information session, families will come together for a shared picnic on the lawn with story time, games and morning tea.

Each child interested in starting Prep at St Mary's will receive a special Mini Mary's bear.

St Mary's is a safe and welcoming school where every child belongs.

We provide strong foundations in literacy, numeracy and faith.

Join a nurturing environment that builds confidence, kindness and curiosity.
